

RACE TO GIVE

The **Race to Give** initiative is designed to raise the general public's awareness of the Florida Sheriffs Youth Ranches and to expose them to its mission and ways they can help children in need. The **Race to Give TEAM** is comprised of select drivers, teams and tracks who use their business enterprises to magnify the work done by the Florida Sheriffs Youth Ranches staff and supporters. As a **Race to Give TEAM** member, you serve as an advocate for the Florida Sheriffs Youth Ranches, raising awareness and support through your day-to-day business activities and fans.

The benefit of being a Race to Give Team member comes in many forms, but a few examples are...

- Supporting the Florida Sheriffs Youth Ranches and its mission toward caring for abused, neglected and at-risk children
- Giving back to the community in which you operate and/or race
- Having the personal satisfaction of knowing your efforts are improving the lives of those children needing help most
- Associating yourself with Florida's Law Enforcement Agencies bringing credibility and honor to your organization and its charitable activities
- Being part of the solution providing children with help and hope they need and deserve

The Florida Sheriffs Youth Ranches is teaming up with the best from your sport and with those that share a passion for giving back and helping children in need. For more information about our **Race to Give TEAM** and activities call (800) 765-3797 or visit www.youthranches.org/racetogive.
