PRESIDENT'S PERSPECTIVE

William A. "Bill" Frye, Jr.

President

Florida Sheriffs Youth Ranches, Inc.

**"I don't believe there are two sides to every story.
It's black and white. There is right and wrong."**

– Joe Wurzelbacher

Normally, I see the world in many colors, or at least in shades of gray. I do believe that there are two sides to every story, and then somewhere in the middle is the absolute truth. However, when it comes to our annual report, the numbers must be black and white, and we must distinguish right from wrong. It is after all, about trust, and it has been our goal since we began in 1957 to earn the trust of our supporters by remaining transparent, truthful, and factual. This, of course, reflects what we try to do every day to promote positive values while instilling integrity within the boys and girls who come to the Ranches in search of a better life!

As you turn the pages of this report, I do pray that you will discover that you can rest assured that the Youth Ranches remains an organization of people who are good stewards of your gifts. We do this while providing disadvantaged youth with the highest quality of programs and services to help them become lawful, resilient and productive citizens.

As always, we remain so very grateful to our donors, supporters and Sheriffs who believe in our mission and trust us to use their gifts wisely for the children in our care.

God Bless,

Bill Frye

Standing on the banks of the majestic Suwannee River, Sheriffs and citizens from Live Oak consider this site for the Florida Sheriffs Boys Ranch. In the late 1950s as this photo was about to be taken, Florida Sheriffs Bureau Director Don McLeod climbed onto the willow tree limb, presciently portraying the Sheriffs of Florida "going out on a limb" to provide a home for dependent, neglected and disadvantaged boys.

WHO WE ARE

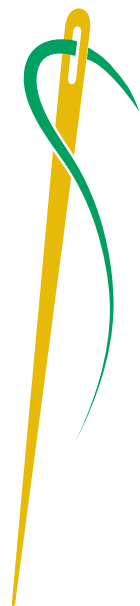

When two Florida Sheriffs proposed an idea to establish a Ranch to help care for troubled boys in 1957, they never could have imagined the result of their simple dream. They saw a need in their communities to give wayward boys a home—someplace where the boys could learn to be productive citizens.

The original intention was simple: Give these boys a home where they could grow up safe and cared for while working through daily problems. The goal was to stop the spread of juvenile delinquency and keep children out of jail.

Over time, the Florida Sheriffs Boys Ranch continued to grow. Multiple residential campuses were opened throughout the state, serving boys, girls and sibling groups. In 1981, a summer camp program started on the Boys Ranch campus in tents and grew into three residential summer camps and the award-winning Harmony in the Streets mobile camp program.

Today, after 66 years, the Florida Sheriffs Youth Ranches is a statewide network of residential campuses, youth camping programs and community-based services. Beginning with a mere \$5,000 and 160 acres of donated land along the Suwannee River, **the Florida Sheriffs Youth Ranches has now served over 181,000 boys, girls and their families.**

Every year, hundreds of children turn to the Youth Ranches for assistance. We look forward to helping each one of them meet their personal goals and become lawful, resilient and productive citizens. With the support of generous donors, volunteers and staff, we will continue to fulfill this commitment of Mending Lives and Healing Hearts.

The girls in Merrill Cottage created Christmas ornaments for the birds and squirrels that live in the trees around their cottage. They had a great time making birdseed-encrusted pinecones and popcorn garlands.

2022–2023 MILESTONES

- ★ Dedicated the Captain's Chapel at Camp Sorensen

KEY POINTS

The Florida Sheriffs Youth Ranches (FSYR) must be responsible to the donors who fund our charitable work with the children and families of Florida. We must earn your trust each and every day. Our credibility rests on a foundation of honesty, accountability, integrity and high-quality service to the children and families of Florida.

- FSYR has once again earned the highest audit rating, known as an unmodified opinion, from the external audit firm of Batts Morrison Wales & Lee.
- FSYR is in a strong financial position with *no* debt.
- FSYR was the first organization in the state to be issued a Charitable Gift Annuity permit in 1974, and we maintain reserves in this fund equal to, or exceeding, state standards.
- FSYR is very conservative in the management of expenses. No portion of our direct mail appeals, donor correspondence or publications is considered an “educational or program-related” expense.

Furthermore, we do not hire professional fundraising companies, *nor do we conduct any telephone solicitations.*

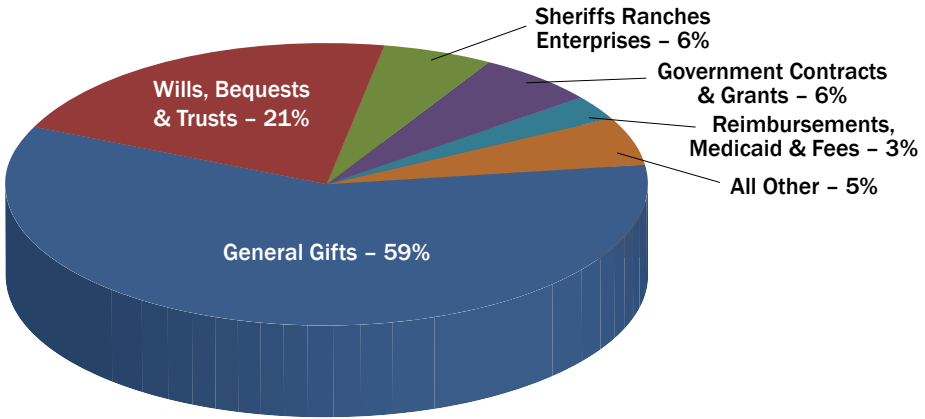

**Founded in 1957 by the
Florida Sheriffs Association**

Students from Donald Ralph Cooke School visited many historical sites during their Washington, D.C. trip, including this monument honoring the legacy of Dr. Martin Luther King, Jr. Experiences like these are only possible because of our generous donors.

PROGRAMS AND SERVICES

Residential Care

Our trained and devoted staff are well-equipped to nurture needy, neglected boys and girls and provide a warm sense of security, guidance and tenderness. Youth are cared for by cottage parents who help each boy and girl develop a strong work ethic and a sense of responsibility, teamwork and respect.

Referral Services

Serving the 67 counties of Florida, we work with the families of children in our care. Our Family Engagement Specialists are available to assist parents as necessary, offering support and referral services to the families of Florida.

Camping Services

Harmony in the Streets® is a mobile camping program that brings the four “R’s” directly into local communities that may be socially and/or economically challenged. Our staff and Law Enforcement volunteers teach children to Respect Themselves, Respect Others, Respect Authority and Respect the Environment.

Harmony in the Schools is much like our Harmony in the Streets mobile camping program in that it brings leadership, cultural understanding and team-building skills directly into the schools. It encourages building relationships between students and peers as well as with school staff.

Summer Resident Camp includes many empowering camping activities. Canoeing, archery, swimming, arts and crafts and other activities allow deserving boys and girls the opportunity to build basic teamwork and peer communication skills. The youth also spend a week enjoying the beautiful, tranquil outdoor environment.

PROGRAMS AND SERVICES

Residential Leadership Programs are hosted at camp and led in conjunction with community partners. This sometimes includes JROTC, ROTC and other leadership groups that work with us to guide young people through challenging activities to help them grow their leadership skills.

Summer Day Camp consists of a variety of camping activities. These day camps are held on campus at the Youth Ranches around the state. Each one has special components, and whether it features a challenge course, horseback riding and horsemanship skills or a focus on aquatics, each Youth Ranch is a valuable resource to the community.

► Deputies from the Hillsborough County Sheriff's Office stopped at one of our mobile camp sites this summer to show campers some of the gear they carry in their vehicles. Campers learned about fingerprinting, protective equipment like vests and helmets and crime scene tape.
