PRESIDENT'S PERSPECTIVE

William A. "Bill" Frye, Jr.

President

Florida Sheriffs Youth Ranches, Inc.

"No legacy is so rich as honesty."

– William Shakespeare

As this is my last annual report introduction, I wanted to leave you, our donors, supporters, and Sheriffs with a sincere thank you for all you have done for the Ranches over my time as President. It has been my privilege to serve you in this role over the past 10 years. As I step down, I do so with the knowledge that here at the Youth Ranches we have provided you with truthful reporting on our finances, youth statistics and more. We have operated and will continue to do so under the leadership of President Mrs. Maria Knapp with honesty and integrity.

Since our humble beginnings in 1957, it has been our goal to provide you with accurate, transparent, and factual information. Your continued trust in the Youth Ranches is vitally important. Without you, we could not provide quality programs that enrich the lives of thousands of disadvantaged boys and girls and help them to become lawful and productive citizens.

As you read this report, I do pray you will find that the Youth Ranches continues to be an organization you can support as we promise to remain good stewards of the gifts you provide.

As a grateful servant, I thank you again for believing and trusting us to use your gifts to benefit children!

God Bless,

A handwritten signature in blue ink that reads "Bill Frye". The signature is written in a cursive, flowing style.

From the beginning, our Sheriffs had
a vision to help troubled youth. For the
last 67 years, we kept that mission

IN FOCUS

WHO WE ARE

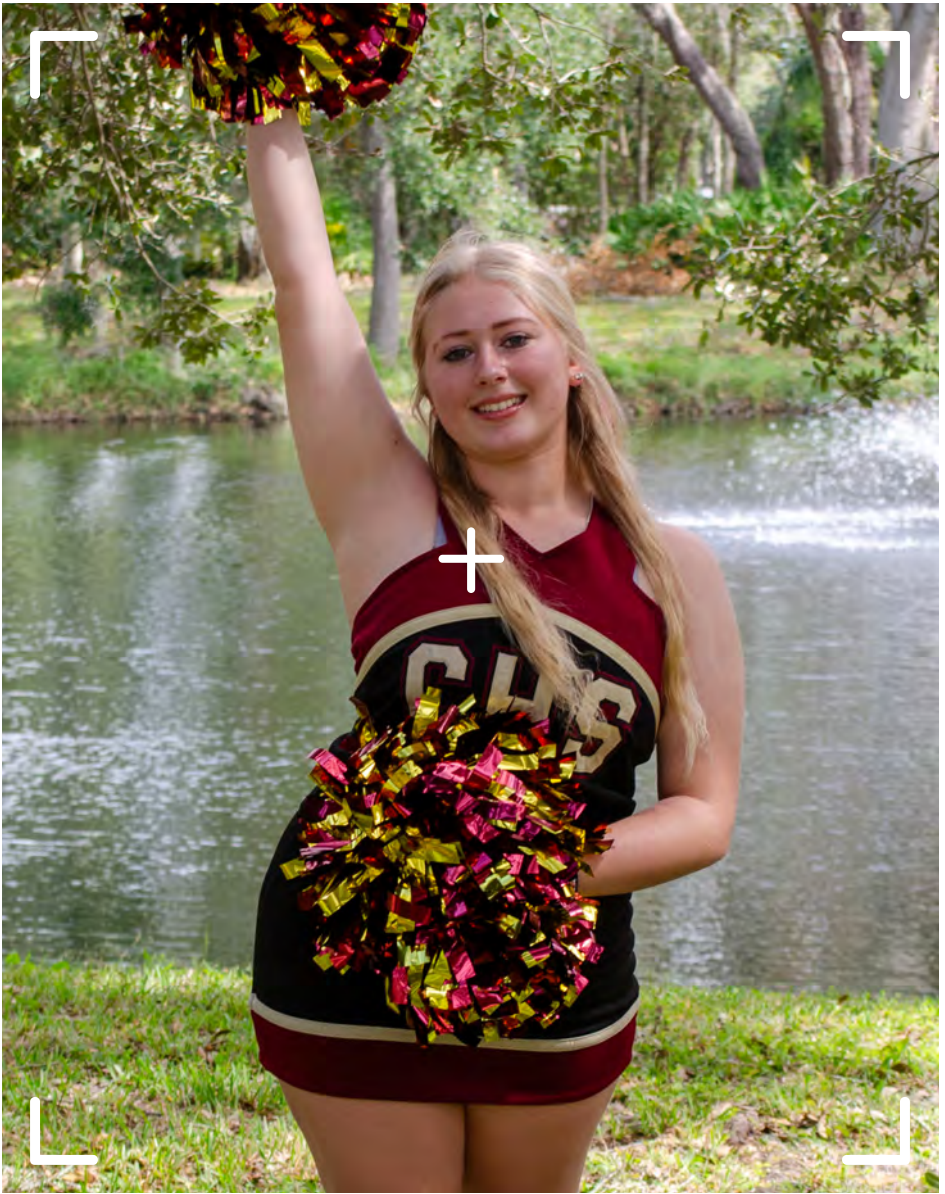

When two Florida Sheriffs proposed an idea to establish a Ranch to help care for troubled boys in 1957, they never could have imagined the result of their simple dream. They saw a need in their communities to give wayward boys a home—someplace where the boys could learn to be productive citizens.

The original intention was simple: Give these boys a home where they could grow up safe and cared for while working through daily problems. The goal was to stop the spread of juvenile delinquency and keep children out of jail.

Over time, the Florida Sheriffs Boys Ranch continued to grow. Multiple residential campuses were opened throughout the state, serving boys, girls and sibling groups. In 1981, a summer camp program started on the Boys Ranch campus in tents and grew into three residential summer camps and the award-winning Harmony in the Streets mobile camp program.

Today, after 67 years, the Florida Sheriffs Youth Ranches is a statewide network of residential campuses, youth camping programs and community-based services. Beginning with a mere \$5,000 and 160 acres of donated land along the Suwannee River, **the Florida Sheriffs Youth Ranches has now served over 186,000 boys, girls and their families.**

Every year, hundreds of children turn to the Youth Ranches for assistance. We look forward to helping each one of them meet their personal goals and become lawful, resilient and productive citizens. With the support of generous donors, volunteers and staff, we will continue to fulfill this commitment of Mending Lives and Healing Hearts.

Seeing a Rancher like Lexi find the self-confidence and courage to try something new keeps our mission

► Campers at Harmony in the Streets in Monroe County were able to meet their local crime scene investigation team at the Monroe County Sheriff's Office. They learned how a CSI team processes a crime scene, what equipment they use, and how recovery efforts are different on an island like Key West. What a great way to show campers our theme of "Law Officers are Your Friends!"

KEY POINTS

The Florida Sheriffs Youth Ranches (FSYR) must be responsible to the donors who fund our charitable work with the children and families of Florida. We must earn your trust each and every day. Our credibility rests on a foundation of honesty, accountability, integrity and high-quality service to the children and families of Florida.

- FSYR has once again earned the highest audit rating, known as an unmodified opinion, from the external audit firm of Batts Morrison Wales & Lee.
- FSYR is in a strong financial position with *no* debt.
- FSYR was the first organization in the state to be issued a Charitable Gift Annuity permit in 1974, and we maintain reserves in this fund equal to, or exceeding, state standards.
- FSYR is very conservative in the management of expenses. No portion of our direct mail appeals, donor correspondence or publications is considered an “educational or program-related” expense.

Furthermore, we do not hire professional fundraising companies, *nor do we conduct any telephone solicitations.*

PROGRAMS AND SERVICES

Residential Care

Our trained and devoted staff are well-equipped to nurture needy, neglected boys and girls and provide a warm sense of security, guidance and tenderness. Youth are cared for by cottage parents who help each boy and girl develop a strong work ethic and a sense of responsibility, teamwork and respect.

Referral Services

Serving the 67 counties of Florida, we work with the families of children in our care. Our Family Engagement Specialists are available to assist parents as necessary, offering support and referral services to the families of Florida.

Camping Services

Harmony in the Streets[®] is a mobile camping program that brings the four “R’s” directly into local communities that may be socially and/or economically challenged. Our staff and Law Enforcement volunteers teach children to Respect Themselves, Respect Others, Respect Elders and Respect the Environment.

Harmony in the Schools is much like our Harmony in the Streets mobile camping program in that it brings leadership, cultural understanding and team-building skills directly into the schools. It encourages building relationships between students and peers as well as with school staff.

Summer Resident Camp includes many empowering camping activities. Canoeing, archery, swimming, arts and crafts and other activities allow deserving boys and girls the opportunity to build basic teamwork and peer communication skills. The youth also spend a week enjoying the beautiful, tranquil outdoor environment.

PROGRAMS AND SERVICES

Residential Leadership Programs are hosted at camp and led in conjunction with community partners. This sometimes includes JROTC, ROTC and other leadership groups that work with us to guide young people through challenging activities to help them grow their leadership skills.

Other Camping Services consists of groups that utilize the residential summer camp facilities when summer camp is not being held. These groups can include corporate leadership retreats, church groups, and other community events that are not solely focused on serving youth. Offering these services helps us connect with our communities and share our mission to a wider audience.

► Archery is one of many activities we offer at Summer Camp. This camper is focusing on the target at the end of the range, using the methods his Activity Leader taught. Many of our campers have never had the opportunity to try new things like archery, canoeing, or high ropes. It's a chance for our youth to step out of their comfort zone and realize what they are capable of!
